

How was your Easter week? The last 8 days were known as “The Octave of Easter”, and they were to be celebrated as one, Easter Day. Each year, I try to remind people not to

overlook the sacred season of Easter, which is to be the MOST celebrated time of the year . . . so much more so than Christmas or Lent. And, I am not sure that we are doing that. Our Lord Jesus was victorious over the tragedy of the Cross! He dispelled the darkness of sin! He conquered the sadness of the tomb, the prison of death with the glory, the power, and the truth of new life! We should be in great celebration! Again, so often we do so much in Lent. What will we do for Easter? May we all understand the truth of what Easter really is: like the two Mary’s who came to the tomb, we are to *embrace* the Risen Lord, and quickly go out and proclaim the Good News by what we say and do . . . by how we show our faith . . . by how we live our lives. Let us remember that the Risen Jesus doesn’t want us to just embrace Him. He wants us to *embrace Him, and then quickly go out and share the embrace!* May these weeks of Easter be a time for all of us to truly show the world that we are committed to the power and the glory of the Risen Christ!

Congratulations to our new Youth Minister and his wife, Jesse & Jessica Spanogle, on the birth of their new baby daughter! (However, as I write this, I am drawing a complete blank on her name! Sorry!) But, she is a beautiful little girl, and the Spanogle’s are truly blessed by God!

March 25th has always been the celebration of the Annunciation, the feast where we celebrate the announcement of Gabriel to the Virgin Mary that she was to become the mother of the Christ. The feast is always celebrated 9 months before Christmas. However, this year, March 25th has fallen into the Octave of Easter . . . and nothing is to surpass the celebration of the Octave, since it is one, long Easter Day. So, the feast of the Annunciation has been moved to Monday, March 31st. May we all offer a prayer to the Blessed Mother on that day, praying for her guidance, strength, and protection to come upon all expectant mothers . . . especially, those who are considering the tragedy of abortion. My mother, Jeanette, always taught us, *“There is nothing like the power of prayer!”*

With the presence of Spring, I do so hope to be able to bring the new Mustang Roush “Blackjack” up to begin displaying it. I was hoping to have it up here for the Easter Masses, but there is no way in the Name of God that I will put that out in the snow! I just want to make sure that we are DONE with the white “stuff” before that goes out on the lawn. We will be printing tickets very shortly, so get ready!

There is still about 70% of the parish who have not made a contribution to the Catholic Services Appeal as of this writing. A letter will be going out to those people, if it hasn’t already, inviting them to join the others. It is so important that we remind ourselves that we are part of a larger Catholic family beyond 26th & Liberty, and that Bishop Trautman needs the help of all of the Catholic people. If we are going to be able to maintain the services and ministries of the Diocese of Erie, it is vital that we all participate. And, if we are going to be able to fix the exterior windows over the stained-glass, everyone’s help is necessary. I know gas is high. I realize everyone’s expenses are growing. But, if we all live within our means, and each of us

contribute *something . . . anything!* . . .we will easily reach our goal. If you are looking for me to beg, I’ll do it! It’s not beneath me!

Have a great week, and a very special and holy Easter season!
